NOW COME the Department of Environmental Services, Waste Management Division (“the Division”) and William Fortier, parties to the above-captioned matter, and stipulate to the following:

1. The Commissioner of the Department of Environmental Services (“DES”), is authorized under RSA 146-C:10-a to impose administrative fines of up to \$2,000 per offense for violations of RSA 146-C and Env-Wm 1401 relating to installation, maintenance, operation, and closure of underground storage facilities. Pursuant to RSA 146-C:10-a, the Commissioner has adopted Env-C 607 to establish the schedule of fines for such violations.

3. On September 7, 2004, the Division issued Notice of Proposed Administrative Fine No. AF 04-068 (“the Notice”) to William Fortier, seeking fines totaling \$7,600 for violations of New Hampshire Administrative Rule Part Env-Wm 1401.
4. Specifically, the Notice cited William Fortier for violating Env-Wm 1401.04(a) by failing to provide DES with a current registration form for the Facility. Pursuant to Env-C 607.02(a) the Division sought a fine of \$1,000.
5. The Notice further cited William Fortier for violating Env-Wm 1401.25(d) by failing to properly install and maintain overfill protection equipment on three USTs. Pursuant to Env-C 607.05(j) the Division sought a fine of \$600.
6. The Notice further cited William Fortier for violating Env-Wm 1401.30(b) by failing to perform the annual test for all line leak detectors on the split 20,000-gallon UST. Pursuant to Env-C 607.03(j) the Division sought a fine of \$1,000.
7. The Notice further cited William Fortier for violating Env-Wm 1401.31(a) by failing to maintain leak monitoring equipment in good working order at all times to continuously perform their original design function for three USTs. Pursuant to Env-C 607.05(d) the Division sought a fine of \$3,000.

8. The Notice further cited William Fortier for violating Env-Wm 1401.32(b) by failing to provide corrosion protection to the 500-gallon #2 fuel oil UST. Pursuant to Env-C 607.03(d) the Division sought a fine of \$1,000.

10. In order to settle this matter, the Division and William Fortier have agreed to the terms of this Settlement Agreement ("Agreement"), as set forth herein.

11. Of the proposed fine in the amount of \$7,600, 20% or \$1,520 shall be suspended due to the respondent's cooperation in returning the UST facility to compliance. An additional 20% or \$1,520 shall be suspended due to the prior compliance history of the UST facility. An additional 20% or \$1,520 shall be suspended due to the respondent's small business status.

12. The suspended portion of the proposed fine, in the amount of \$4,560 is contingent on William Fortier maintaining the subject facility in compliance with Env-Wm 1401 for a period of two years from the date of execution of this document. If William Fortier fails to maintain compliance during the two-year period the suspended portion of the proposed fine, in the amount of \$4,560 shall become immediately due and payable. If William Fortier maintains compliance for the prescribed two-year period, the suspended portion of the fine shall be waived.

13. William Fortier agrees to pay the remaining \$3,040 upon execution of this Agreement by William Fortier.

14. Payment under Paragraph #13 and any payment that becomes due pursuant to Paragraph #12 shall be paid by certified check made payable to: "Treasurer, State of New Hampshire" and mailed to:

15. If any payment is made by check or money order that is returned due to insufficient funds, pursuant to NH RSA 6:11-a, DES may charge a fee in the amount of 5% of the face amount of the check or money order or \$25.00, whichever is greater, plus all protest and bank fees, in addition to the amount of the check or money order, to cover the costs of collection.

16. By executing this Agreement, William Fortier waives his right to a hearing on or any appeal of the administrative fines identified in the Notice, and agrees that this Agreement may be entered into and enforced by a court of competent jurisdiction.

17. The effective date of this Agreement will be the date on which it is signed by William Fortier, owner of Freedom Fuels & Food, the Director of the Waste Management Division, and the Commissioner of DES. After that date, this Agreement may be amended only by written agreement signed by both parties and the Commissioner. Any such amendment will become effective on the date on which it has been accepted by the Commissioner.

18. No failure by DES to enforce any provision of this Agreement after any breach or default will be deemed as a waiver of its rights with regard to that breach or default, nor will such failures be construed as a waiver of the right to enforce each and all provisions of this Agreement on any further breach or default.

WHEREFORE, the parties respectfully request the Commissioner to accept the terms of this Agreement by granting this Motion.

Respectfully submitted,
